<We have a genuine problem that is ultimately going to effect all californians. We can make some progress by stopping this 10 percent cut.

ULTIMATELY, THE CUTS COULD EQUAL MORE THAN A TWO BILLION DOLLAR LOSS TO THE SYSTEM.

MEDICAL ALREADY PAYS LESS TO DOCTORS THAN IT COST TO PROVIDE CARE.

AND THE PROPOSED CUTS COULD MAKE IT WORSE.

So we all have to walk a fine line between trying to avoid taking medi-cal that it pays so poorly that we cant keep our offices open and not want to forgo healthcare for people who genuinely need us.

MEDI-CAL PATIENTS ARE SUPPOSED TO GET THE SAME ACCESS TO HEALTHCARE AS PEOPLE WITH INSURANCE.

ONE LOCAL DOCTOR PREDICTS THE PROPOSED CUTS WOULD CHANGE THAT.... AND FORCE PEOPLE ON MEDI-CAL TO GO TO THE EMERGENCY ROOM FOR BASIC HEALTHCARE NEEDS.

Wait until you have to go to the emergency department and there a whole bunch of people with runny noses and sore throats who need health care, but don't need emergency care.

MORE PATIENTS GOING TO THE E-R WILL MEAN EVEN LONGER WAIT TIMES FOR ALREADY OVERWHELMED HOSPITALS.

DR. LENSINK THINKS THE CUT COULD LEAD TO DOCTORS REFUSING TO TREAT MEDI-CAL PATIENTS ALTOGETHER.

When reimbursement continues to go down especially in such a large segment like medical cuts will do. Its impossible for doctors to keep seeing medical patients and keep practices open it just cant happen.

PATRICK JONES SAYS PEOPLE WHO CAN CARRY THEIR GUNS IN TOWN SHOULD BE ABLE TO ENJOY THE SAME RIGHT IN THE WILDERNESS.

15:57 We feel there is no good reason people should be prevented from having those same firearms in state and national parks. It's just a matter of being consistent with what we already have. 16:08

PEOPLE MUST PASS A BACKGROUND CHECK, WAITING PERIOD AND WRITTEN TEST --- BEFORE THEY CAN GET A CONCEALED GUN PERMIT.

THOSE ARE THE ONLY PEOPLE WHO WOULD ENJOY GUN-TOTING RIGHTS AT NATIONAL PARKS.

FOR NOW ... FEDERAL RULES REQUIRE GUNS TO BE UNLOADED, DISMANTLED, ENCASED AND TUCKED AWAY -- IN A HIDDEN PLACE LIKE THE TRUNK OF A CAR.

RICHARDSON SAYS THAT'S WHERE GUNS SHOULD STAY.

CURATO HAS NOT BEEN CONVICTED -- THESE ARE ONLY ALLEGATIONS RIGHT NOW - BUT HIS PRELIMINARY HEARING HAS BEEN POSTPONED THREE TIMES.

HIS REASON? BECAUSE THE ALLEGATIONS ARE A FEW YEARS OLD, AND BECAUSE CURATO NEEDS TO GO INTO REHAB.

And it's very very frustrating and it's a concern of ours for **public safety** that this guy is out there.

ACCORDING TO A POLICE REPORT OBTAINED BY NEWSCHANNEL SEVEN, THE ALLEGED VICTIMS CLAIM A COUPLE OF YEARS AGO, CURATO MOLESTED THEM WHILE THEY SLEPT.

ONE ALLEGED VICTIM GOES ON TO SAY--QUOTE "IT HURT."

EVIDENCE--SHASTA COUNTY PROSECUTORS HAVE \*NOT HAD A CHANCE TO PRESENT.

we're puzzled. We can not understand why this person would be released without any bail whatsoever on his own recognizance and not allow us to even have a preliminary hearing at this time so the judge could hear the evidence.

CURATO IS SEEKING TREATMENT AT A DRUG AND ALCOHOL REHAB CENTER.

BUT, PROSECUTORS SAY THE CENTER IS NOT SECURE.

SO, UNTIL HE RESURFACES IN COURT -- THEY FEAR THE WORST. He's facing a life sentence, which means he has a high risk or motivation for running and escaping, and of course he poses a risk in our mind to the **public** because of the nature of these charges.

< The chairman of the Federal Reserve took the hotseat once again, defending the decision to bailout Bear Stearns. SOT BERNANKE: "The damage caused by default by Bear Stearns could have been severe, and extremely difficult to contain. Moreover and very importantly, the adverse impact of a default wouldn't have been confined to the financial system, but would've been felt broadly in the real economy." When the investment bank got into trouble, it was the Federal Reserve to the rescue. SOT BUNNING: "I do not like the idea of a Bear Sterns bailout." Now, one year into the subprime mortgage crisis, lawmakers are trying to ease the pain who've been suffering. SOT DODD: "THIS EFFORT THAT WE'VE PUT INTO THE LAST SEVERAL DAYS, I THINK IS A MAJOR STEP IN THE RIGHT DIRECTION OF OFFERING SOME REAL HOPE TO PEOPLE ON MAIN STREET." But does it? The tentative deal made by Senate Democrats and Republicans on Wednesday would provide billions of dollars in tax rebates to the ailing home-building industry, but little to the 8 thousand homeowners being foreclosed on every day. SOT SHELBY: WE'RE GONNA WORK IN A BIPARTISAN WAY TO TELL THE AMERICAN PEOPLE THAT WE HAVE HEARD FROM YOU..WE KNOW THERE ARE HOUSING PROBLEMS AS WELL AS FINANCIAL PROBLEMS. Senate leaders also agree that more hearings and more negotiations are necessary in order to provide a more extensive foreclosure-assistance plan. STANDUP: Officials estimate the proposal would cost taxpayers between 15 to 20 billion dollars. It's not only home builders that stand to benefit from the billions of dollars of tax breaks, but also local governments, housing agencies and first time home buyers. Linsey Davis/ABC News >

CALIFORNIA'S 20-BILLION DOLLAR BUDGET DEFICIT IS CREATING NEW CONCERNS - A CASH FLOW PROBLEM FOR THE STATE.

OFFICIALS SAY THE STATE COULD RUN OUT OF READY-CASH BY LATE SUMMER IF LAWMAKERS DON'T GET A BUDGET ADOPTED, AND COME UP WITH A WAY TO TRIM THE DEFICIT.

NANNETTE MIRANDA HAS THE DETAILS.

<(NATS) Nunez "We're running out of cash." Those haunting words from the State Capitol today are ringing throughout California. From state-funded daycare to all other programs that rely on Sacramento for money, state leaders are warning, the state could run out of cash as early as August. (SOT) Nunez "We need more ... We need more cash in the state coffers in order to just pay the bills." State accounts continue to dwindle because of the housing crisis and stock losses. Couple that with automatic spending growth mandated by law ... it's a combination that could trigger a cash shortage. (SOT) Schwarzenegger "It's a major crunch, and it's not only because of the economy, but it's because we have a budget system that has really failed the state for the last few decades." (NATS) During cash crunches, the state often turned to Wall Street for short-term loans or moved money around the budget, robbing Peter to pay Paul. Borrowing, though, is tricky this time. In order to get favorable interest rates, the state has to enact a timely budget, which hasn't been done in years. The other option is take out the equivalent of a "sub-prime loan", which has extremely high interest rates and a \$100 million dollar fee ... it could also lower California's credit rating, already one of the lowest among state governments. (NATS) This state-funded daycare is already thinking about the cash crunch. Its best hope is an on-time budget ... but it's bracing for something much worse - another cut in funding. (SOT) Kurtz "We put on hold any pay increases for the staff. Any kind of stipends they may receive, they're not going to get. No raises." This is Nannette Miranda reporting.>

<"These are our children and we're not going to breach the firewall of innocence." PARENTS SAY, SEX EDUCATION WENT TOO FAR, INSIDE A CLASSROOM FULL OF 8TH GRADERS, AT FORT HERRIMAN MIDDLE SCHOOL. THIS IS WHAT THEIR KIDS ARE TELLING THEM. "She explained how the teacher talked about masturbation, girl masturbation, boys, the wrong ways." "What bothered me is that, not only did we get into discussions of masturbatory activity, but we got into explicit descriptions of homosexual acts." "The right ways to have sex, the wrong ways to have sex. How long to make it last. I mean, disgusting." PARENTS SAY, THE TEACHER ALSO SHOWED STUDENTS FLIERS, WITH EXPLICIT CARTOON IMAGES. THIS 7TH GRADER HAD A FRIEND IN THE CLASS. "He thought it was gross and stuff and she showed a lot of pictures of stuff." A SPOKESPERSON FOR THE JORDAN SCHOOL DISTRICT WOULD NOT COMMENT ON THE ALLEGATIONS, BUT SAID THERE IS AN INVESTIGATION. MEANTIME, THE TEACHER HAS BEEN PUT ON ADMINISTRATIVE LEAVE. PARENTS DON'T THINK THAT'S ENOUGH. "We want her fired. We want her never to teach ever again.">

THE SHASTA-TRINITY NATIONAL FOREST HAS FINISHED TAKING DATA ON SNOW FALL FOR THE YEAR.

[<mos>Lower3rdTalent\_Sarah-Beth</mos>][Notes:HITS AT :51-54]

<IN JANUARY THESE FIRE FIGHTERS STARTED TAKING DATA ON HOW MUCH SNOW FALL MOUNT SHASTA ACCUMULATES, BUT JANUARY WAS THE LAST TIME THESE GUYS SAW A TRUE SNOW STORM.

AND THAT'S NOT A GOOD THING.

BECAUSE SNOW IS THERE DEFENSE AGAINST FIRES!

Last year was a discussion point for us. It was scarier we were generally 30-40 percent of normal. We got prepared for a worse season than we actually experienced.

BEING PREPARED IS WHY THEY TAKE TO THE SKY AND BY FOOT TO FIGURE OUT THE AVERAGE SNOW DEPTH.

CAPTAIN STEVE DIAZ SAYS THE NATIONAL FOREST HAS BEEN COLLECTING DATA FOR OVER 60 YEARS TO FOLLOW THE TREND IN WEATHER.

So right now they take a measurement from the tree behind me to about 75 feet. Now that's called the drip line. Then from there they take this pole. They grind it into the ground to find out the depth of the snow impact.

SO FOR THIS TIME OF YEAR .... WE SHOULD BE SEEING MORE SNOW ON THE MOUNTAINS.

IS THIS CAUSE FOR ALARM.

NOT YET.

AFTER ALL NOTHING CAN BE PREDICTED.

BUT ONE THING IS FOR SURE ... THE WETTER THE BETTER.

This year we are at a 70-80 percent at that 10 year average. Being the 2nd driest year in a row. Were aware that fire behavior may be a little intense then if it would of been a wetter year.>
